•	ere is an anti-tank ammunition depot at Premnitz; ammunition is carried regularl
•	Altengrabow 50X1-HUM
l' L	ere was a general transfer movement during mid-July from the Hagenow-Schwerin- tenburg/Meckl. and in the direction of Thuringia. Only rear parties appeared t remaining in the above-mentioned places. Russian soldiers on leave in Rathenow om the Altengrabow training ground stated that their units would not be return- to Rathenow by 15 July but would move to Erfurt for maneuvers.
	e Kraftfahren Kaserne, Semliner Weg, Rathenow, was empty of guns by mid-July. ey had been moved to the Dolle training area near Gardelegen. 50X1-HUM
1	Gotha was, late in July, occupied by a tank regiment which was quartered in the barracks on the west side of the m. Only tank troops and a few members of a signal unit belonging to the tank giment were seen. The only trucks observed, which were on the move, were supply sicles carrying rations, wood, and coal.
	50X1-HU
jt r	in the immediate vicinity of Gotha fortifications are lt by civilian contractors. No more details are available as the area on the thwest edge of Gotha has been cordoned off.
	26 July 1948 staff cars were observed on the Gotha-
